PROFESSIONAL SUMMARY

Communications and Creative Leader with 10+ years of experience leading corporate communications, brand storytelling, integrated campaigns, and creative strategy across corporate, enterprise, and consumer audiences. Experienced in translating business objectives, audience insights, and global brand direction into locally relevant communications and creative strategies across Taiwan, China, Japan, and international markets. Combines strategic communications leadership with strong creative judgment across corporate storytelling, brand communications, digital and social campaigns, executive presentations, events, video, and emerging AI workflows.

CORE COMPETENCIES

Communications Strategy | Corporate Communications | Brand Communications | Enterprise Storytelling | Executive Stakeholder Management | Integrated Campaigns | APAC Collaboration | Cross-Functional Leadership | Creative Direction | Art Direction | Brand Identity Systems | Digital and Social Campaigns | Executive Presentations | Employer Branding | China Market Localization | Motion and Video Direction | Generative AI Workflows

PROFESSIONAL EXPERIENCE

CREATIVE DIRECTOR

KKTV / KKFARM / KKBOX Group / KKCompany / KKCulture

Taipei, Taiwan | June 2016 - July 2025

- Led communications and creative strategy for integrated brand, corporate, product, and employer-brand initiatives across consumer, enterprise, and corporate audiences.
- Translated business priorities, audience insights, and corporate and brand objectives into communication strategies, campaign narratives, creative platforms, and scalable brand systems.
- Directed integrated communications across corporate, brand, digital, social, web, events, photography, motion, video, and physical experiences.
- Guided projects from strategy and concept development through stakeholder presentations, reviews, production coordination, quality control, approval, and delivery across digital and physical channels.
- Led cross-business communications and creative operations across five business units, balancing priorities, resources, stakeholders, schedules, and external partners.
- Led and mentored 5+ direct reports and cross-functional teams of 30+ across design, marketing, product, engineering, video, 3D, and external partners.
- Partnered with CEOs, general managers, business-unit leaders, marketing and product leadership to shape communication priorities, brand narratives, creative strategy, and executive-facing communications.
- Maintained hands-on creative oversight across campaigns, brand systems, digital experiences, motion, video, and executive presentations.
- Directed the integrated launch communications for KKTV, spanning brand identity, campaign storytelling, television, digital advertising, landing pages, and brand guidelines.
- Built enterprise and corporate storytelling systems for BlendVision and KKStream across worldview films, product narratives, client stories, websites, executive presentations, and sales communications.
- Led corporate brand communications and employer branding for KKCompany, alongside brand and artist communications for KKFARM and identity development for KKCulture.
- Applied generative AI across communications research, audience insight development, storytelling, content development, creative exploration, presentations, and campaign testing while maintaining brand consistency and human judgment.

CO-FOUNDER & COACH

Applied Creativity Engine

Taipei, Taiwan | August 2023 - Present

- Co-founded and helped position an AI-powered creativity and leadership education venture with Chris Lin, Founder of KKBOX Group, and Matt Cheng, Founder and Managing Partner of Cherubic Ventures.
- Designed and delivered 6+ executive and professional programs for 200+ participants across Taiwan and Japan, translating creativity, branding, storytelling, and AI into practical communications and leadership frameworks.
- Partnered with UWC ISAK Japan, Junyi School of Innovation, Chunghwa Telecom Training Institute, WAVE Brand Leadership, and other educational and professional organizations.

- Developed practical workflows combining design thinking, storytelling, entrepreneurship, brand strategy, and AI-assisted research, ideation, visual exploration, storyboarding, image generation, video planning, prototyping, presentation development, and pitching.
- Established an ongoing English-language collaboration with UWC ISAK Japan and produced workshops, online learning materials, printed thinking tools, showcases, and AI-assisted creative exercises.

ADJUNCT INSTRUCTOR, SPECIALIST RANK

Department of Communications Design, Shih Chien University

Taipei, Taiwan | September 2018 - Present

- Teach university courses in creativity, semiotics, communication design, visual storytelling, design thinking, and AI-powered creative practice.
- Translate academic theory into practical communication, brand storytelling, emerging technology, campaign development, critique, presentation, and cross-functional creative practice.

EARLIER EXPERIENCE

DESIGN DIRECTOR

JC&D

Taipei, Taiwan | February 2015 - May 2016

- Directed environmentally responsible household products, packaging concepts, and exhibition experiences presented at Good Design Tokyo Midtown and Good Design Marunouchi.

MULTIMEDIA DIRECTOR

Saosis Communications

Beijing, China | May 2014 - February 2015

- Led user research, information architecture, visual design, and UI/UX direction for China-market digital products, including the redesign of the ICBC H-CLUB mobile application across mobile, tablet, web, and promotional experiences.
- Translated Chinese user behavior, business requirements, technical constraints, and local market expectations into clear cross-platform design systems, working with product managers and engineers from prototyping through implementation, quality control, and launch.

GAME DESIGNER

Fludot Co.

Taipei, Taiwan | March 2012 - April 2014

- Developed visual systems, user interfaces, motion assets, characters, environments, and gameplay communications for iOS and Android games.

ANIMATION DESIGNER

Modern Media Group

Shanghai, China | August 2011 - February 2012

- Created broadcast openings, motion graphics, animation, showreels, and edited video content for media, events, and corporate communications.
- Adapted Bloomberg Businessweek's global brand and launch direction into locally relevant event, animation, video, and press-conference communications for its China-market entry.
